

Dunteman Makes Public Statement of Building Plans

Old Timers

Open Corner Stone Box

The final farewell to the old Palatine brick block, erected in 1884 by H. C. Battermann, took place Thursday morning when John

Kitson, Past Master of the Palatine Masonic lodge and Henry F. B. Hermann, son of the builder, wielded the bar that opened the corner stone of the building laid by the builder, a loyal Mason, fifty four years ago.

A good sized crowd of old timers and members of the young generation were present to see what that corner stone contained. From a glass fruit jar, Mr. Krueger removed a collection of several old coins, some of which dated back to the early 1800's. A copy of the then current issue of the "Palatine Enterprise, a historical paper," was also on hand.

On the Palatine and several slips of paper upon which some of the citizens of that day had written their names.

These slips of paper showed the wear and tear of the years and many of them were so far gone that the names could not be made out but the names of John Ross C & N W Ry. station agent at that time and of Otto Danielson were discernible.

On the coins several initials were stamped.

On one were the initials J. W.

which the old timers asserted stood for J. W. Thurston, J. W. H., which were the initials of J. W. Hanke, a mason employed on the building. H. J. S. which the oldsters were sure meant J. H. Schirding; W. M.

One coin, with the three lined emblem of the Odd Fellows, and the initials G. B. was not immediately identified. The copy of the *Palatine Enterprise* of June 28, 1884 was in a good state of preservation and was easily readable. This paper showed that it had

been furnished by W. G. Alden, editor and publisher, and the newspaper contained many interesting news notes and advertisements of the long ago.

There was a time table of the C&NW Ry., the ad of Colburn dress goods, C. S. Dunning and auctioneer and many others.

The news column held news of general interest and showed that a hot election was on the way. Blaine and Logan were to be republican standard bearers and Cleveland was prominently mentioned as a strong possible nominee for the democratic party. John Ogelsby was the G. O. P. candidate for governor.

Another interesting memento from the corner stone was the business card of H. A. Ableman & Co., showing that H. A. Ableman and H. C. Batterman were operating a flour and feed store with sash and doors and all sorts of flux materials.

The small pamphlet which contained the history of Palatine showed the ravages of time, yet much of it was clearly readable. This old history showed that the

town of Palatine was organized April 2, 1850 at a meeting held at the house of John Slade. John Slade was elected chairman of the meeting and D. B. Wood was named secretary. Elias D. Wood was elected a Moderator and the meeting proceeded electing officers for the township. That first election resulted in the election of the following officers: Supervisor, Thomas S. Clark; Clerk, D. B. Wood; Assessor, Harris Webster; Collector, Milton Foster; Overseer of the poor, John

Slade; Highway commissioner Daniel Standard, Ezekiel Cady and Luman Clark; Constables, Milton Fosket and Fleming Gaines; Justice of the peace, Thos. Bradwell and one name not legible.

This old history of the town also gave a list of all the town officers up to the time of its publication and the years of their holding the office.

Mr. Ableman was much interested in the contents of the old cor-

The corner stone was taken to the cemetery Sunday and placed on the grave of the builder, William Battermann.

With the opening of the corner stone the last act was staged in the wrecking of Palatine's most famous building, a building which during the past half century has

The old building is now down to the ground level, and soon nothing will be left but a vacant plot of ground and a host of memories in the minds of the old timers, memories which will linger long after the last dust of the wrecking crew has drifted away on the Autumn breeze.

Operetta 'Chonita' Makes Fine Showing

The operetta Chonita presented by members of the choir of the Presbyterian church under the able direction of Mr. A. E. Johnson and Mrs. Donald Costain last Tuesday and Wednesday evening, was one of the finest ever presented by amateurs in Arlington Heights.

The chorus work was excellent and showed results of hours of practice under excellent leadership. The leading role, that of Chonita, taken by Miss Evelyn Jarvis, was splendidly cast, from a dramatic standpoint as well as musical, for she showed fine talent in both respects.

The part of the Gypsy fortune teller played by Miss Lorraine Foley, also was splendidly acted. The leading roles for the men were played by Mr. James Groves and Mr. Clayton B. Jones and Mr. John Harth and were very well done.

Other characters well portrayed were taken by Hazel Sauer, Irving Tesch and Raymond Boeger. A three piece orchestra composed of Margaret Groves, piano; Marcel Nan Luick, violin; Margaret Thompson, cello; and Mr. Costain, clarinet, under the direction of Mr. Costain, played through the operetta, adding much to the performance.

The stage setting and costumes also were most colorful and the choir can be justly proud of their performance.

Garden Club Enjoy Scenes By Volz Camera

The Arlington Heights Garden club met last Wednesday evening, November 9, in the North school building and enjoyed seeing Mr. Al Volz colored slides of Tulips in Holland, Mich., during tulip time, the dahlias grown by Mr. Dan Schueren in Scarsdale, the peonies of Charles Klehm and rose gardens of numerous other Arlington Heights gardeners.

Mr. Volz also showed his slides of the Garfield Park Conservatory, which is the largest conservatory under one roof in the world. His slides of the Gloxinia and Orchids were unusually beautiful, and he also showed pictures of the cactus room and the fern conservatory in Garfield Park.

These were still pictures and are considered by officials of Garfield Park as the best ever taken in the conservatory.

Six new members joined the garden club at this meeting, which is open to all interested in gardening.

Mothers Club Hears Talk On Recreation

Rev. Hayes of Chicago, gave a splendid address at the meeting of the Mother's club of the Methodist church last Wednesday evening in the church parlors. His talk "All Work and No Play Makes Jack a Dull Boy" was full of splendid suggestions. He said that the value of recreation is often underestimated, for it actively fits into four important phases of the lives of our youth as well as adults; namely social, educational, physical and religious. Recreation aids in developing social adjustment of youth. It is one of the most important educational methods available. It also develops the physical constitution of a personality and enriches his religious life. Every Father and Mother for these reasons should be intelligently interested in the recreation of their children, from the earliest childhood to adulthood and should also play with their children as much as possible. Rev. Schell-hase also gave a word of greeting to the Mother's Club. At the close of the program refreshments were served by Mrs. Elliot and Mrs. Ashcraft.

Camp Fire Groups Plan Council Fire

The Chanyata and Ocawasin group of Campfire girls will hold a council fire at the Methodist church next Sunday afternoon at 4:30 for their parents and friends. Legion Auxiliary Fete Oldest Member On Birthday

At the social meeting held at the home of Mrs. J. Clyde Jones, Tuesday afternoon, the American Legion Auxiliary gave a surprise pre-birthday party, for its oldest active member. It was a complete surprise as the birthday does not occur until next week, and Mrs. Parker hasn't quite recovered from the shock of having the birthday song and the lovely present all for her.

The hostess served delicious cake and ice cream. The table was beautifully decorated. At each place was a novel candlestick, made of a gum drop with a life saver for a handle, and holding a lighted taper. The afternoon was spent dressing dolls for the Chicago Times American Legion Auxiliary Christmas party for poor children.

Mrs. Violet Rector, chairman of rehabilitation committee, wishes to thank Mrs. Ida Graft for displaying the articles made by the veterans in her window and helping with their sale, and all who bought the articles. The Ninth district meeting will be held Thursday evening, November 17.

Epworth League Plan Projects For Year

Several young people of the Methodist church met at the church Sunday evening to make plans for an Epworth League. A nominating committee was appointed consisting of Jack Moodie, Marilyn Klehm and James Jirak.

The group will meet on the second and fourth Sunday evening of the month, one meeting to be a devotional meeting and one to be a project meeting, of interest to young people. Kay Sebert and Dorothy Elliott were appointed on the Devotional committee.

Plans are being made for a musical evening in December to which the parents will be invited, and a party is also being planned for December. If you are of Epworth League age, don't miss all of the fun that can be had by attending the social and regular meetings of this group of high school age.

Bible Has Survived All Attacks, Says Dr. W. A. Maier

The 400th anniversary of the first authorized publication of the Bible was commemorated Sunday with a special address by Dr. Walter A. Maier of Concordia Seminary in his coast-to-coast Lutheran Hour broadcast. Recalling that it was four centuries ago when Henry VIII instructed the British clergy to provide an English Bible for each church, Dr. Maier said this royal command came only two years after William Tyndale was publicly burned at the stake for having translated the scriptures into the language of the realm. Before he died Tyndale breathed this dying prayer, "Lord, open Thou the King of England's eyes;" and as if in answer came King Henry's edict of publication and the subsequent "Great Bible."

These first bibles, Dr. Maier added, were so large and expensive that distribution was limited. Copies were chained to reading desks at some convenient place within the church. Sometimes the discussion that centered around these reading desks was so animated that the preacher in the pulpit could make himself heard only with great difficulty. "The danger in the modern church," Dr. Maier pointed out, "is not that the bible is over emphasized, but that the word of God is completely supplanted by the word of man."

Despite the opposition to the translation and the publication of the bible raised by atheists, heathen emperors and misguided churchmen, the scriptures have been translated into 1008 languages and dialects, Dr. Maier pointed out. "This task of distributing Holy Writ will continue," Dr. Maier predicted, "in the face of multiplied programs to destroy it." Dr. Maier described as "bible enemy Nos. 1, 2, 3 and 4," the bible-questioning churches, bible-ridiculing divinity schools, communism and homes where the Scriptures are neglected.

Oh Happiest they of the Human Race

But better had they never been born
Who shall read to doubt or bourn
Read to scorn.

THE MIRACLE

Nature performs miracles for farmer and lets him read secrets and a secret lies therein.

CHRISTIAN SCIENCE CHURCHES

"Mortals and Immortals" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, November 13.

The Golden Text was, "If any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new" (II Cor 5:17).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Beloved, now are we the sons of God, and it doth not yet appear what we shall be: but we know that, when he shall appear, we shall be like him; for we shall see him as he is" (I John 3:2).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Mortals are not like immortals; created in God's own image; but in finite spirit being all mortal consciousness will at last yield to the scientific fact and disappear, and the real sense of being, perfect and forever intact, will appear" (P. 295:11).

Prospect Heights To Get Gas Service

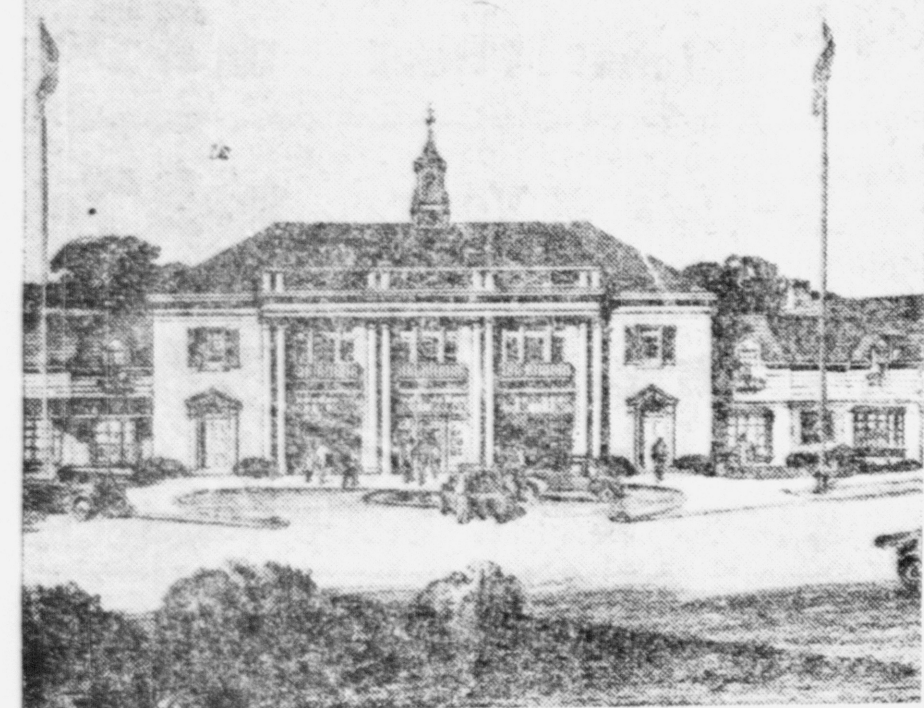

The Public Service Company of Northern Illinois is installing a gas main north from Mt. Prospect to Prospect Heights. A survey made by that company convinced it that, although present home owners were cooking with electricity, gas service for heating and other uses would soon be needed. The gas main will be extended to all areas now being developed.

This youngest and fastest growing northwest suburb will soon have its first business block. Smith & Dawson have nearly completed the center section of a business structure that will provide space for stores and establishments needed for the proper development of that community. The section now nearing completion will provide quarters for a food store and office of the realty firm. Three flats

will be finished on the second floor. The entire business structure will be built in southern colonial style, and give the appearance of a plantation home with pillars extending from the ground to the roof.

Since July twenty-five homes have been built. Twenty more are now under construction, all of which have been sold. Four outside contractors are building homes for purchasers of lots in that subdivision. Mr. Smith stated Wednesday that he fully expected to build one hundred new homes upon the tract during 1939.

Nineteen new families have moved to Prospect Heights since October 1. It was not so very long ago that the older residents were also new comers and they extend through the Herald a warm welcome to the latest arrivals, who are: Arthur Oakley, J. A. Bowman, Joseph O. Mt. Prospect V. F. W. Dedicates Trees to Ex-Service Men

Although the strong sharp wind blowing last Sunday afternoon probably kept many people from attending the dedication ceremony of the local V. F. W. Post, a representative crowd did turn out and many more remained in their cars. Boy Scout troop No. 23 was represented with its colors and the Post also presented its colors.

As chairman of the Dedication committee, W. H. Genrich, gave a splendid opening address and explained the motive behind this commendable project of the local V. F. W. Post. He told how the Post had decided to replace and plant trees throughout the Village in commemoration of all ex-service men and women, dead and living. In all 600 Moline elm trees have been contracted for and 25 have already been planted along Railroad ave., immediately south of the North Western tracks.

As part of the dedication ritual he called upon Post Commander, Leo Vernon and Mayor Besander, who placed memorial wreaths and took part in the formal ritual. An invocation was delivered by Pastor Stevens of the South Church and an address on Peace was delivered by Reverend Todd of the St. John's Episcopal church.

MR. AND MRS. AUG. OLDENBURG CELEBRATE GOLDEN WEDDING

Mr. and Mrs. August Oldenburg of Mt. Prospect were hosts Sunday afternoon and evening to 80 guests in honor of their fiftieth wedding anniversary. They were especially honored by being able to have with them the two bridesmaids of the original wedding, Mrs. Frank Runge of Arlington Heights and Mrs. August Walter of Elk Grove, and William Hasselman, their best man.

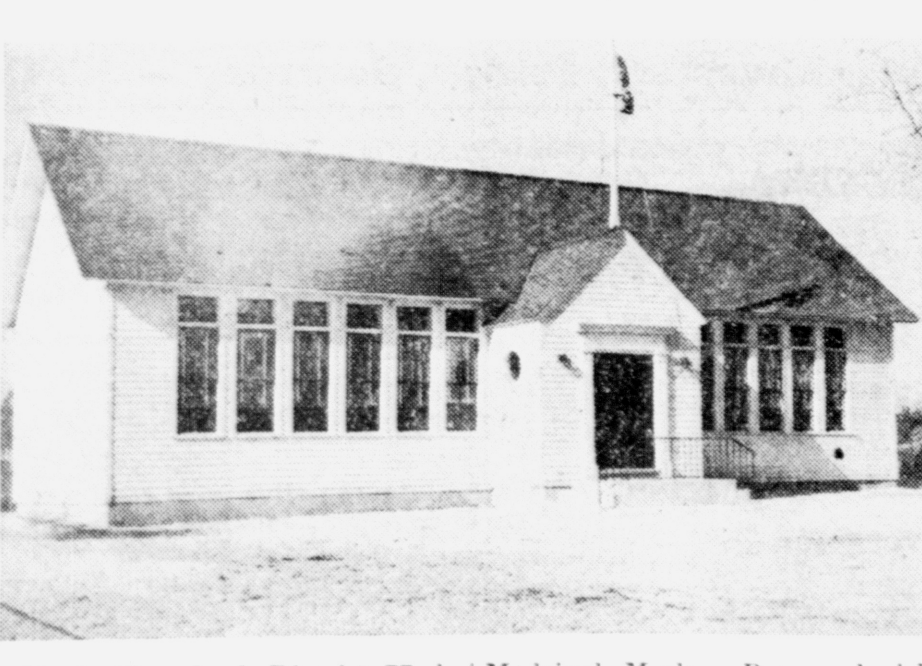

Rev. J. E. A. Mueller delivered an appropriate sermon and a group of songs were sung in honor of the occasion. The hosts had requested that no gifts be presented, but there were a great quantity of flowers bespeaking the love and esteem which their relatives and friends had for this couple. The children presented their parents

Is This A Fish Story?

Louis Bartholomew is no longer the corn king of Wheeling township, a title which he has held a number of years, if current reports are true. The crown has been transferred to Alfred Schoenbeck, according to Chas. Petersen, Arlington blacksmith. Charlie advanced this information to a Herald reporter while he was busy at replacing a wagon pole for Mr. Schoenbeck at his shop this week.

The pole was broken by an ear of Schoenbeck's corn which fell off the elevator of the picker, he declares.

Dedicate Mapleside School Built Without Gov. Aid

Mapleside school, District 77, in Leyden township, was appropriately dedicated Saturday evening with an impressive program, upon which appeared Noble J. Puffer who delivered the dedicatory address, George Deal, principal of Leyden Community high school, and C. A. Hughes, Cook county farm adviser.

A social feature of great interest to the audience was the history of the district read by Conrad Horn, clerk of the district. The complete program was as follows:

Invocation—Rev. Paul Casper.
Presentation of Colors—American Legion—Women's Auxiliary, Des Plaines.

Presentation and Acceptance of Building—Conrad Horn, Fred Horn.

Dedication—Noble J. Puffer, Cook County Supt. of Schools.

Mr. and Mrs. Oldenburg were married Nov. 8, 1888, in Elk Grove, Mr. Oldenburg was born in Germany in 1864, coming to America and to Chicago in 1871 and later to Elk Grove. Mrs. Oldenburg, the daughter of Mr. and Mrs. Fred Hasselman, was born in 1868 and has always lived in Elk Grove.

Six children were born to the couple, all of whom are living. They are two sons, Fred of Forest Park; Gilbert of Mt. Prospect; four daughters, Mrs. Alfred Busse, Mrs. W. F. Kirchhoff, Mrs. Amos Landmeier, of Mt. Prospect and Mrs. Herman Behrens of Norwood Park.

Hi Kids, Skating Pond Is Ready

Shelter House Next: Wading Pool Complete

Arlington Heights boys and girls, and also adults will have a lot of good skating this winter if the weather man gives them the break. The skating pond is ready. It covers an area of 100x200, has a clay foundation, has been tested to hold water and freezing weather is all that is now needed to open the skating season in Arlington Heights.

The skating pond is only one of the minor activities that have been taking place at Recreation park. The park, which everybody thought to be large enough for many future years, now appears to be rather filled up.

The wading pool 40x60 feet, was completed two weeks ago and a visitor can even see children splashing therein, while their fond mothers look on. There will be benches on a cement walk around the pool for the mothers. There will be a cement encased sand box for those who tire of the water. The outer rim of the pool will have six inches of water for the two and three year old tots. As they become bolder they may step over a low wall and enter the pool proper, where the maximum depth in the center is 20 inches.

That is all next summer's news, but a gang of men are at work on a winter luxury, the shelter house adjoining the skating pond. The basement, ample to contain a truck, will house the garden tools of the park district. On the upper floor there will be showers and toilets, while a concession window faces the south permitting sale of refreshments during the summer to those attending ball games and in the winter to the skaters. The skating pond can be lighted at night.

This pond is not only for cold weather use. During the summer it will be the croquet ground where the older codgers of the community can give vent to a subdued brand of outdoor sports.

Drainage is now being put in place for the dugouts, one adjoining the grandstand and the other between home plate and third base.

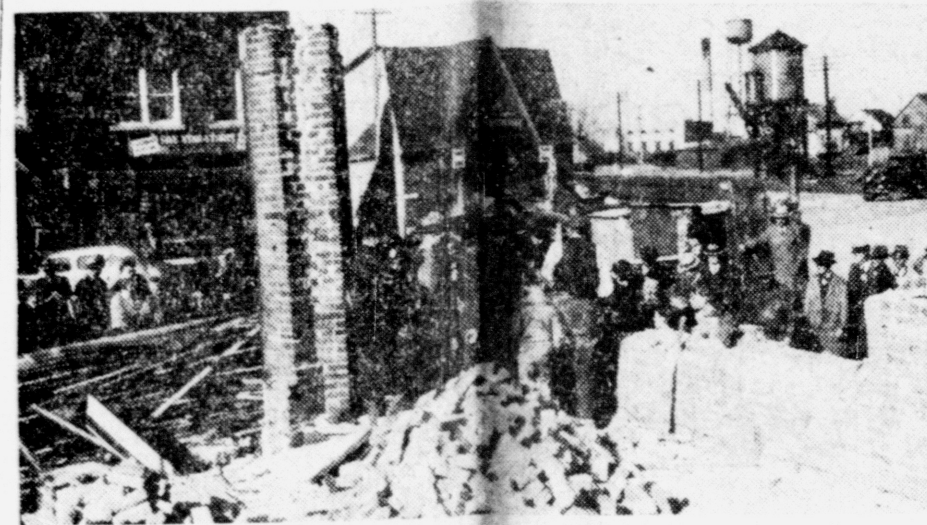

With the exterior construction work about completed the huge mounds of clay and dirt have been removed and the ground around the buildings are being graded in preparation for spring landscaping. New walks are being put in place.

4-H Members Honored At IAA Banquet

A highlight of the International Livestock Show, Chicago, for Cook county 4-H club members will be the annual banquet Thursday evening, December 1, at the Great Northern Hotel, arranged by the Illinois Agricultural Association in honor of outstanding 4-H club members in the state, according to Assistant Farm Adviser, Charles N. Glover.

Reservations have been made by Raymond Thies of the Palatine-Schaumburg 4-H club and Mary Dowling from the Sunshine 4-H club of Tinley Park.

A number of our county outstanding club members and local leaders have also planned to attend this banquet.

PUBLIC SHOWS ITS INTEREST IN CORNER STONE OPENING

1884 Issue of Enterprise Gives Front Page News of Nation, State, Village

The corner stone of the brick block, which was opened Friday, has brought to the editor's desk a copy of the Enterprise, Vol. 6, No. 39, dated June 28, 1884.

The editor, W. G. Alden, foresaw the day when that corner stone would be opened and wrote on the margin of the copy of his paper that was placed in the box. This paper is furnished by W. G. Alden, publisher and editor, who only hopes that the generations who are to come will equal the builder of this edifice in displaying public spirit.

These were the days before linotype machines and there could not be many locals put in type for the weekly issue of the town paper, but the following items will be of interest to the children and grandchildren of those whose names are mentioned.

Plenty of pure cider vinegar at M. S. Johnson's, 15c a gallon.

About 20 men are at work on the Battermann block. The bricklayers get \$4.00 a thousand and the stone masons \$4.00 a cord. The men are boarding at Huerberg's. First class work is being put in and the building will be a credit to the town.

Palatine will have two celebrations for the Fourth. One at the village, which is noted elsewhere and the other at H. Meyer's place in Plum Grove, where there will be a grand display of fireworks in the evening.

The suit before Squire Schierding where Horace Chaire, late of Barrington sued by one Simon was postponed ten days owing to the illness of Mr. Chaire.

At a general meeting on Tuesday evening, a motion was unanimously carried that Messrs John Wilson, Dick Lytle and M. L. Pinney be appointed a special committee of horse racing for the Fourth of July with full power to make any and all arrangements.

Although the time is drawing near all members of the various committees are busy as bees. The affair will be a grand success. The orators will be Ex-Speaker Collins, F. L. Loesch, Hon. Emil Dietrich and Hon. Carter H. Harrison, mayor of Chicago. The band will meet the speakers at the 10 o'clock train, the line of march will be to the high school grounds.

The picnic of St. Paul's Evangelical society at Plum Grove was very enjoyable and successful bringing in \$40.

J. A. Rose is now our station agent.

The train service gave Palatine eight trains northbound and seven

trains toward Chicago. There were only two Barrington trains. All thru trains stopped at Palatine. The first north bound train in the morning was a freight train that carried passengers.

The physicians were Dr. S. E. Hulett, in Palatine and Dr. H. Richardson and H. W. Dornbach in Barrington.

"Little Henry," across from the depot in Chicago, a general meeting place for the Germans and their families, carried an adv. in the Enterprise in those days.

Rev. Nate reports on returning from the Bloomington Prohibition convention that the spirit of the convention was moderate, but very determined. We think him mistaken in supposing it likely that if the Democrats succeed now, that a prohibition President can likely be elected four years hence—no, not in 15 or 20 years hence, so it seems to us.

A few weeks ago Rev. Thomas F. Leyden, pastor of the Barrington Catholic church, met with quite a serious accident while on his way to Woodstock. The strap on the yoke broke, the team ran away and threw Father Leyden from the carriage.

An apparent strong ticket for the Democrats would be Gov. Cleveland of New York and Gov. Hoard, of Ohio. Some states are actually instructing for Tilden and it is expected that New Hampshire will send a delegation solid for Andrew Jackson.

A newspaper on our desk says, "We have twenty-five saloons to every church." Why any one church should have so many saloons is in doubt.

The advertising columns of the Enterprise were filled with patent medicine ads.

The general news told of a lynch in Indiana, and reported convention of the American party which after nominating candidates for U. S. president and vice president adopted a platform which included: prohibition of manufacture and sale of intoxicating liquors, declares against secret societies, favored woman's suffrage, and the suppression of polygamy.

New York reported that De Lesseps had concluded to stop construction work on the Panama canal. Cholera and small pox was

Dedication Of Palatine Church Sun.

Salem Evangelical Church To Hold Three Services

They climax two months of building and remodeling, which included a new foundation, basement floor, partitions, inside stairway, new entrances to the church, both upstairs and downstairs, redecorating the auditorium, new lights in the auditorium and many other items.

Dr. Harold R. Heininger, professor of Systematic Theology at the Evangelical Theological Seminary, Naperville, will be the speaker at the afternoon service at 3:00. Other pastors from churches of this area will take part in the program, and the choir of the Salem Evangelical church of Barrington, sing. Rev. L. C. Schmidt will conduct the dedication proper. An offering will be received to complete the payment for this project. A loud-speaker system will be used for the overflow crowd, which will be accommodated in the basement.

The day will be opened with the Sunday school session at 9:45 o'clock. At the 10:45 service Rev. L. C. Schmidt will bring the message and administer the Lord's Supper. This service is not restricted to members of this church. The closing service of the day will be the evening service at 7:45 o'clock, with the message by the pastor. All services are open to the public.

The pastor, Rev. Donald Landwer, reports that the additional facilities were made necessary by

school and church activities. Within the last three years the Sunday school has increased in enrollment from 13 to 63, and in average attendance from 13 to 45. The attendance at the worship services has more than doubled, the membership has increased 50 per cent, and the adult constituency now numbers well over 50.

Within the past two years, previous to the present building activity a number of improvements were made, such as the installation of an outside bulletin board, painting of the church exterior, installation of a new furnace, and numerous smaller items.

rampant in many parts of the world.

Train wreckers and bandits were running wild in Kansas.

U. S. Congress had just passed the electoral-count bill, by which all presidents have since been declared elected.

Newspapers were not without humor in those days. A clipping from the Chicago Times was republished telling about the cutting down of one of the big trees in California that was 4300 years old. Inhabited in the heart of the monarch was found a joke about housecleaning.

The Chicago markets quoted were: butter 15 to 20c, eggs 16c, beef \$5 to \$7, hogs \$5 to \$6.

Old Timers Open Brick Block Corner Stone

The final farewell to the old Palatine brick block, erected in 1884 by H. C. Battermann, took place Thursday morning when John Kitson, Past Master of the Palatine Masonic lodge and Henry F. Battermann, son of the builder, wielded the bar that opened the corner stone of the building laid by the builder, a loyal Mason, fifty four years ago.

Wm. H. Abelman, of Elgin, present owner of the property, was present at the ceremonies and requested Mrs. Delia Krueger, granddaughter of the builder of the building to remove the contents of the corner stone.

A good sized crowd of old timers and members of the younger generation were present to see what that corner stone contained.

From a glass fruit jar, Mrs. Krueger removed a collection of several old coins, some of which dated back to the early 1800's. A copy of the then current issue of the Palatine Enterprise, a history of Palatine and several slips of paper upon which some of the citizens of that day had written their names.

These slips of paper showed the wear and tear of the years and many of them were so far gone that the names could not be made out but the names of John Rose C. & W. Ry. station agent at that time and of Otto Danielson, were discernible.

On the coins several initials were stamped.

On one were the initials J. W. T. which the old timers asserted stood for J. W. Thurston, J. W. H., which were the initials of J. W. Hanke, a mason employed on the building; H. J. S. which the old timers were sure meant J. H. Schirding; W. M. S. which was identified as being the contribution of Wm. M. Schweitzer.

One coin, with the three link emblem of the Odd Fellows, and

later identified. The copy of the Palatine Enterprise of June 28, 1884 was in a good state of preservation and was easily readable.

This paper showed that it had been furnished by W. G. Alden, editor and publisher, and the old paper contained many interesting news notes and advertisements of the long ago.

There was a time table of the C&N.W. Ry., the ad of Colburn dress goods, C. S. Dunning an auctioneer and many others.

The news column held news of general interest and showed that a election was on the way. Blaine and Logan were to be the republican standard bearers and Cleveland was prominently mentioned as a strong possible nominee for the democratic party. John Ogelsby was the G. O. P. candidate for governor.

Another interesting memento from the corner stone was the business card of H. A. Abelman & Co., showing that H. A. Abelman and H. C. Battermann were operating a flour and feed store with cash and doors and all sorts of flax materials.

The small pamphlet which contained the history of Palatine, showed the ravages of time, yet much of it was clearly readable.

This old history showed that the town of Palatine was organized April 2, 1850 at a meeting held at the house of John Slade.

John Slade was elected chairman of the meeting and D. B. Wood was named secretary.

Elias D. Wood was elected as Moderator and the meeting proceeded electing officers for the township.

That first election resulted in the election of the following officers: Supervisor, Thomas S. Clark; Clerk, D. B. Wood; Assessor, Harris Webster; Collector, Milton Folsket; Overseer of the poor, John Slade; Highway commissioner, Daniel Standard; Ezekiel Cady and Luman Clark; Constables, Milton Folsket and Fleming Gaines; Justice of the peace, Thos. Bradwell and one name not legible.

This old history of the town also gave a list of all the town officers up to the time of its publication, and the years of their holding the office.

Mr. Abelman was much interested in the contents of the old corner stone and proposes to distribute the coins among the members of the family as keepsakes and mementos of the old building.

The corner stone was taken to the cemetery Sunday and placed on the grave of the builder, William Battermann.

With the opening of the corner stone the last act was staged in the wrecking of Palatine's most famous building, a building which during the past half century had had a most ultimate and important part in the history of this community.

The old building is now down to the ground level, and soon nothing will be left but a vacant plot of ground and a host of memories in the minds of the old timers, memories which will linger long after the last dust of the wrecking

Singing Society Was Business Life Of Palatine In 1851

The Palatine Maennerchor, famous German singing society, in Palatine in the 80's and 90's was more than a social organization in those days. It was a community power as among its members were representatives of the leading German-American families. Following the erection of the brick block in 1884 by H. C. Battermann, the Maennerchor had the honor of planning and arranging the dedication of the building, which was held on November 27, 1884.

Henry Battermann, son of the builder has in his possession a poster, advertising the event, which was of course printed in the German language with a short English translation at the bottom. The poster, free translated reads:

Great Opening Ball
Battermann's Hall, Palatine, given by Palatine Maennerchor Thursday, Nov. 27, 1884, commencing at 6 o'clock. The opening will be by singing, music and speeches, also the Palatine brass band. A ball and dance will follow to which all friends from near and far are invited to have a nice enjoyable evening. For good eats and drinks everything is provided for. Arlington Heights band will play. Gents \$1; ladies free.

H. C. Battermann, the man who erected the brick block, was a public spirited citizen in every sense of the meaning of that word. The erection of the brick block was only one of his efforts to do things for Palatine.

The failure of the Peoples Bank in the early 90's caused him to lose considerable money entrusted in his keeping which belonged to the village and other people. He sold his own property to make good the loss, re-entitled to his care.

Mr. H. C. Battermann, son of John H. and Mariah Battermann, was born in Germany, Dec. 24, 1827, and came to America in 1846. After one year spent in New York City he came to Chicago and engaged in the grocery business, which he followed until 1866, when he moved to Palatine and engaged in the lumber and grain trade in company with Joseph Slade.

In 1878 he built a flax and feed mill, which he rented until 1882, when he sold his lumber and feed business and operated the mill under the firm name of Abelman & Co. Later this firm consolidated with the firm of Abelman & Ost (owners of the elevator) under the present name of Battermann, Abelman & Ost. Henry Battermann, son of H. C. Battermann, has for some time had his father's share in the business.

He was County Supervisor four years, a member of the Board of Trustees fifteen years, besides president of the village several terms; also a member of the Lutheran church, a charter member of the Maennerchor, and although not a member at the time of death, was past worshipful master of the A. F. A. M.

Hahnfeldt was taken into custody by the police for questioning about the letter turned over to the state attorney's office. The Gahlbeck case has been continued to December 12.

Arlington Freshman Surpass Upper Classmen In Scholarship

The 1938 freshman class at the Arlington Heights high school did not have any higher "I.Q.'s" when they entered school in September, than the average freshman class, but for some reason, its members, numbering 138, are exceptionally studious, or possess unusual ability. In the chart of class standings that was recently posted, the freshman average was near that of the seniors, while the sophomore and junior classes were trailing in the order named.

crew has drifted away on the Autumn breeze.

Among the old timers present at the opening of the corner stone were Henry F. Battermann, John Kitson, George Wilson, Dan Bergman, Sr., Mrs. Gertrude Smith, C. E. Julian, Harry & Louis Schoppe, Aug. Hackbarth and many others,

The rest of Bill's vacation was spent hunting, and as always Bill got his share of the game.

Jim Neagles also enjoyed his vacation from the opening day of pheasant hunting, until the closing day, and of course, Jim and Lorene got the limit every day, and you can just bet that their neighbors have been enjoying pheasant, and rabbit dinners during the past week. Jim got back to the old grind on Wednesday perfectly satisfied with his vacation.

Another hunter who had a short vacation was Ed Miller, on Macdonald Road. Ed finished up the pheasant season by going out with his brother Clarence, and his friend "Tinker" DeMott. As usual they got some game, and we know they enjoyed it.

Mr. Miner hails from Canada. He came to America many years ago, and when war was declared he joined up in the Engineer corps, and went over to France in 1917, where he stayed for the duration of the war. His hobbies are gardening and reading.

Mrs. Miner was born and raised in Ann Arbor, Michigan. Her hobbies are gardening and crocheting and working in her garden in the summer.

Mrs. Miner also likes her pets. She has a Collie dog, named Buff, and a cat named Kitty. She likes all kinds of plants and flowers, as is evident by the number of plants she has in her home.

Arthur, the son, graduated from the Wheeling Township June, 1937, and has since attended Arlington Heights high school. After attending high school for one year Arthur was honor student, and also received a medal, as he was a member of the team which won the relay race.

Arthur's hobbies are reading, and track at school.

Firemen Banquet Celebrates 25th Anniversary

The 25th anniversary banquet of the Mt. Prospect Volunteer Fire Department, last Tuesday evening at Rand tower, proved a very enjoyable and entertaining affair for all those present.

The banquet and dance which followed was a private affair with ninety people in attendance. In celebration of its 25th anniversary the Fire Department invited all firemen and their wives and a few non-members who are or have been closely associated with the Department, to join in the festivities which consisted of a very sumptuous turkey dinner with all the trimmings followed by a dance.

Fire Chief Frank Biermann officiated as toastmaster and called upon several of those present for short talks. Morton Gilbert, an ardent fire-fan, entertained in his inimitable manner and helped to put the crowd in a jovial mood.

One of the chief events of the evening was to honor four members who have served the department 25 years—ever since it was organized. These four, in the order in which their badges are numbered are C. D. Busse, Wm. Busse, J. Herman Meyn and John Pohlmann. Each was presented with a special gold fireman's badge on which their names have been inscribed and showing they had served 25 years.

After the speeches and presentation of these badges the tables were cleared away and the crowd danced to the merry tunes of Gilbert Oldenburg's orchestra to vll out a wholly enjoyable evening.

Operetta 'Chonita' Makes Fine Showing

The operetta Chonita presented by members of the choir of the Presbyterian church under the able direction of Mr. A. E. Johnson and Mrs. Donald Costain last Tuesday and Wednesday evening, was one of the finest ever presented by amateurs in Arlington Heights.

The chorus work was excellent and showed results of hours of practice under excellent leadership. The leading role, that of Chonita, taken by Miss Evelyn Jarvis, was splendidly cast, from a dramatic standpoint as well as musical, for she showed fine talent in both respects.

The part of the Gypsy fortune teller played by Miss Lorraine Foley, also was splendidly acted. The leading roles for the men were played by Mr. James Groves and Mr. Clayton B. Jones and Mr. John Harth and were very well done.

Other characters well portrayed were taken by Hazel Sauer, Irving Tesch and Raymond Boeger. A three piece orchestra composed of Margaret Groves, piano; Marcel Nan Luick, violin; Margaret Thompson, cello; and Mr. Costain, clarinet, under the direction of Mr. Costain, played through the operetta, adding much to the performance.

The stage setting and costumes also were most colorful and the choir can be justly proud of their performance.

Mothers Club Hears Talk On Recreation

Rev. Hayes of Chicago, gave a splendid address at the meeting of the Mother's club of the Methodist church last Wednesday evening in the church parlor. His talk "All Work and No Play Makes Jack a Dull Boy" was full of splendid suggestions. He said that the value of recreation is often underestimated, for it actively fits into four important phases of the lives of our youth as well as adults; namely social, educational, physical and religious. Recreation aids in developing social adjustment of youth. It is one of the most important educational methods available. It also develops the physical constitution of a personality and enriches his religious life. Every Father and Mother for these reasons should be intelligently interested in the recreation of their children, from the earliest childhood to adulthood and should also play with their children as much as possible. Rev. Schell-hase also gave a word of greeting to the Mother's Club. At the close of the program refreshments were served by Mrs. Elliot and Mrs. Ashcraft.

Garden Club Enjoy Scenes By Volz Camera

Mr. Volz also showed his slides of the Garfield Park Conservatory, which is the largest conservatory under one roof in the world. His slides of the Gloxinia and Orchids were unusually beautiful, and he also showed pictures of the cactus room and the fern conservatory in Garfield Park.

These were still pictures and are considered by officials of Garfield Park as the best ever taken in the conservatory.

Six new members joined the garden club at this meeting, which is open to all interested in gardening.

This Week in Wheeling

Messrs. Hans Schmidt and Arthur Miller, S., of Wheeling and Arthur Laurance of Des Plaines, left Sunday morning for Olney, Illinois, for a few days of quail hunting. It is hunters live up to their reputations, we expect there will be some quail dinners served in Wheeling this week-end.

The Holtje family took advantage of the Armistice day holiday for a motor trip to Indianapolis.

Mr. and Mrs. A. Merry visited friends in Chicago on Sunday.

The Ladies' "900" club met last week with Mrs. Goumas at Northbrook. First prize was taken by Mrs. James Bailey, second by Mrs. Wm. Laurance and consolation prize went to Mrs. A. Falscher.

The annual party for all those who worked at the Wheeling Day celebration was held in the Community gym last Saturday evening. Music for dancing was furnished by Aally Hahnefeld's orchestra of Arlington Heights. A buffet lunch was served about 11 p. m., with a choice of baked ham or roast beef for the meat course. Since the funds raised by the annual Wheeling Day celebration are being used largely for the financing of the new gym all helpers on these days are asked to donate their services. As a form of recognition was deemed as desirable, a special party for all such workers was arranged. Although not all who were invited found it possible to attend, those who did had a merry time.

Mr. and Mrs. Edw. Gieseke, Sr., Mr. John Gieseke and the Hy. Mayer family, attended the christening ceremony of their little grandchild and niece, Nancy Carol Gieseke at Holt Day, last Thursday evening. Nancy is the third month old daughter of Mr. and Mrs. Edw. Gieseke, Jr. The ceremony of baptism was performed at 6 o'clock by Rev. Recht, pastor of an Ev. Lutheran church of Chicago, formerly of Long Grove. Following the baptism a delicious dinner was served to the guests, numbering about 18.

The annual Public Achievement meeting of the Wheeling school will be held next Tuesday evening, November 22 at 8 p. m. A cantata entitled "Hiawatha" will be rendered by the upper grades. The lower grades will present an operetta entitled "Old King Cole." The business meeting of the club will be presided over by the 1938 officers. County life director, Mr. M. C. Jollman will bring a meeting from the county office.

About 300 persons were served at the annual chicken dinner served for the benefit of the Presbyterian church at the Community gym last Thursday evening. A goodly number of the dinner patrons remained for the informal program of entertainment which followed and was announced by Mr. Edw. Weselek, Jr. Piano selections were rendered by Mr. Elmer Johnson and Misses Doris Wiedner and Holly Heitje. Piano and clarinet duets were played by Henrietta and Dale Sennel, and vocal solo by Rev. Morrison. Three stunts were presented by young people of the church.

Romero and Juliet by Arthur Miller, Jr. and James Neagies, Jr. This is a movie (a song stunt)—Hero, Howard Welflin; heroine, Doris Wiedner; heroine's parents, Margaret Schmidt, Ann Belle Reitz; vampire, Edna Ragusan; villain, Earl Schultz; gang, Victor Lesech, Gilbert Falscher.

Judge Martha Gab's Court, Judge Ruth Rockendach.

Hisniff, Mrs. Agatha Apple-jam, Dorothea Bieber.

Defendant, Miss Precilla Pepper-sauce, Elaine Mohr.

Reporter, Miss Nina Tenn, Marilyn Miller; Zenia Applejam, Lillian Bieber; Grandma Zipper, Betty Scanlon; Mrs. Fanny Higgins; Betsy Dickhoff; Miss Laura Limp, Fanny Belle Turner.

The supper was prepared and served by members of all departments of the church. It is the desire of the officers of the church that these dinners should provide community fellowship as well as financial gain, which can only be possible through willing cooperation of all members and friends. The officers are grateful to all who contributed in any way to the success of the dinner last week.

Have you answered the annual roll call of the American Red Cross? If not, why not do so at once. A membership as low as one dollar makes you a partner in the great service rendered to suffering humanity by the Red Cross. As well as being the first agency called upon in time of disaster, the Red Cross also is doing a great work in the prevention of accidents and suffering. Will you help Wheeling to have a share in that work?

The Misses Mary and Nell McEvoy of Evanston, Mrs. G. Sieck and the Misses A. & L. Schneider of Wheeling were guests at the Gammill home at Mt. Prospect on Saturday evening.

Friends here were very sorry to learn of the sorrow which came to Mr. and Mrs. Joseph Behm, in the still birth of their first child, a son, born dead at the Martha Washington hospital, Chicago, several weeks ago. However, we are glad to know that Mrs. Behm, who was dangerously ill, is recovering satisfactorily.

The November meeting of the P.T.A. will be held at the school next Monday evening, November 21. The topic for the meeting will be "The P.T.A. in the Home." Guest speaker for the evening will be Mrs. Bruce Jarvis of Arlington Heights. All parents and friends of the children in our school are urged to attend.

Miss Ellen Moeller, who is employed in Chicago, spent last Sunday at home.

Mrs. James Hayes of Mattoon, Illinois, is visiting here with her brother's family, the James Craigs. On Monday evening they motored to the loop where they attended the Auto show.

The Edward Moeller family motored to Oak Lawn on November 8. Mrs. Moeller's mother, Mrs. Fred Feigenhauer, celebrate her 71st birthday. Mrs. Feigenhauer had been ill the week previous, but felt well enough to join in the birthday celebration. We hope she continues to improve. The Feigenhauers have been making their home with a daughter at Oak Lawn since selling their home in Wheeling.

We are glad to note that little Emil Sommerfeld, Jr., who has been very seriously ill at his home during the past week, has begun to improve and the physician in charge of Dr. E. L. Larson, feels confident that the lad is out of danger.

A case of scarlet fever has been reported from the community this week. The victim is Jack Brumm, who took sick on Sunday. Jack is the oldest boy in a large family of children and we hope other members of the family will be spared. With the appearance of this disease in our midst, all parents are urged to watch their children and give attention to any, even slight disorder in their health both for their own protection and that of other children.

Mrs. J. A. Schminke and Mrs. L. Kocbelin spent Tuesday with the Otts at Deerfield.

Mr. and Mrs. Edward Kopp and Miss Annelia Schneider, of Chicago, were callers at the Perolat home on Tuesday.

Miss Virginia Gieseke was confined to her home because of illness the fore part of the week.

EAST MAINE

Mrs. Sophie Jaacks celebrated her 73rd birthday anniversary on Wednesday evening, November 9. Present to enjoy the evening were all her children and grandchildren and a few close friends.

Members of the Ladies Aid tendered a birthday surprise to Mrs. Anna Schwinke, Sunday, at her home in Glenview. A few other friends were also present and all enjoyed a delightful afternoon.

No invitations were sent out for the thirty-fifth wedding anniversary of Mr. and Mrs. Ernest Jaacks November 11, yet relatives and friends dropped in, in groups to remind Mr. and Mrs. Jaacks that the day was one well worth celebrating. Lunch was served and a jolly time was had by one and all. Incidentally, Mr. Jaacks has been driving a new Chevrolet for the past couple of weeks.

Christ Hume found himself to be kind of lucky at the dance sponsored by the Northwest Bowling Club Saturday night, when his ticket was the one that won the 15-pound turkey that was given for door prize.

Members of the Young Men's Club and their guests enjoyed the first annual banquet given by the club at St. Matthews hall Friday evening, November 11. The Ladies Aid prepared and served the delicious dinner. Fred Elsner was the efficient toastmaster and a program of varied entertainment was presented to the delight of all.

The East Maine baseball club will announce that they will sponsor a dance on Saturday, December 3, at Babcock's Inn. Music will be provided by Gilbert's Harmony Boys and a hearty welcome is extended one and all who attend.

SCHAUMBURG

by ROGER KAPPA

Mr. Emil Schrage is the proud owner of a new Ford V-8. Quite a difference from the old 1922 Model T, isn't it, Emil?

Mr. Shureff, of the old Krumweide Farm, is the proud owner of a 1937 Chevrolet. I still say farmers are the only ones making any money to speak of.

(Any of you potential car owners should remember that our local man also can procure any car you want with a reasonable adjustment on the old one. The first step of recovery is local participation in local enterprise.)

The Lutheran Ladies' Aid will give their play next Friday evening at the Lutheran school house of the Western District. I hear it is to be a good one. This is the first time this has ever been attempted in Schaumburg, therefore everyone should cooperate to the fullest by his or her participation. I am sure we all have the 30 or 35c needed to go.

Last week Tuesday William Heide gave a farewell party at his corner for a few intimate friends. Soon this old landmark will be gone. We will miss the place and perhaps shed a tear to have something we've known all our lives, suddenly disappear, even if it is a new highway.

William Heide's new home will be the flat vacated by Abie Berlin, in William Gieseke's upper flat in Schaumburg, Chicago. This, as I understand it, will be their future home in Schaumburg, at least, this winter.

Many of Abie Berlin's intimate friends celebrated the housewarming party given by Abie at his new home the other night. A good time was had by all who attended.

Fred Glueckert Titled 'Bring 'em Back Alive' By Fellow Huntsmen

Fred Glueckert would have been crowned a knight of King Arthur's Court if the English king had lived in the day of Fred Glueckert, according to the Gallup pole among other Arlington Heights huntsmen or would-be knights.

Sir Glueckert performed a feat uncommon to most tourmen by going after pheasants with a broken arm.

Such an act would have brought forth many "bravos" from such well known pheasant fanciers as Skoog, Hrdlicka, Carlson Smith, Karstens, Dahlstrom and Schenberger, but the feat that would put him on the right hand of our good king, is the fact that Fred brought back two pheasants alive. Mer-carried his prey away after only wounding them. A feast was held in his honor at his home Tuesday night.

Mr. Glueckert injured his arm when he fell from a ladder last week.

Mac Says

by GERALD A. MC ELROY

This week the congratulations of this column go to Coach Art Bergstrom and his Wildcats of Libertyville, who Friday defeated Lake Forest 14-6 and became co-champions of the Northwest Conference. Bergstrom organized and coached a brilliant team that was given only an outside chance at the start of the season. Libertyville developed a strong defensive line and a light, fast backfield headed by Envelod, one of the best of the season. Libertyville suffered few injuries and depended upon a small group of boys game after game with few substitutions. Their playing, while a team affair with few individual stars, was characterized by game breaking plays in which good blocking freed Envelod for long spectacular runs.

THEY WERE BOTH OUTSTANDING

Libertyville and Arlington had mighty good football teams. To our way of thinking it would have been too bad for either to have missed and we are glad their own game ended in a tie so both might share the title. Even though the statistics of their meeting are more favorable to the Wildcats, the records of the two teams in other games stamp them about as equal in strength. Both had strong lines. Libertyville's was a bit faster perhaps but Arlington's had more power and better reserve strength. Arlington's running game was more versatile as they had the edge on line smashing and good open field runners. Libertyville had more speed and was better on end runs and pass defense. Both were well coached and skilled in the fundamentals of tackling and blocking. As it turned out, Libertyville had a tougher schedule than Arlington, but that was mere chance as Grant played by Arlington and not by Libertyville. Arlington's Wildcats' closest call, Bergstrom's boys winning in the last 40 seconds. We do not believe that different schedules would have changed the outcome in the least.

With football over, basketball is again receiving the center of attention with most of the schools starting play this week or the first part of next. The conference season opens December 2. In the week we are going to give a brief statement of our opinion of the chances of each of the teams. This week we are going to summarize some of the rule changes. Here they are in brief form:

CHANGE THREE SECOND RULE

The rule which forbids a player from being in his free throw lane more than three seconds will not apply to a player who is in the half of his free throw circle nearer the center, provided he does not have the ball. He is allowed only three seconds after securing the ball but may stay in the out half of the circle indefinitely without it.

LIMIT SUBSTITUTIONS

Substitutions in intervals following a goal and after the ball is in play from out of bounds unless a charge time out or time out for injury has been declared.

TIME OUT PERIODS EXTENDED

Time outs and rest periods between quarters have been changed from one to two minutes in length. Five time outs are allowed this season and the extra time for each will counteract the tendency of other rules to speed up the game and cause a strain on high school boys.

"SUDDEN DEATH" OVERTIMES

After two minutes intermission, during which neither team may leave the court, the first team to score two points in the overtime period wins the game. If neither team scores two points but one team scores one point by the end of a three minute overtime period that team wins the game. Additional periods may be played under the same conditions until one team scores.

CLARIFY 10 SECOND RULE

This year the rule is interpreted to mean that the 10 second division line is in the back court. A player straddling the line or with one foot on the line in the back court regardless of the direction from which the ball is received.

CHANGE JUMP BALL RULE

The change of last year which required that all jump balls take place at least six feet from the nearest boundary line now applies to the end lines as well as the side lines.

Another change is that where courts will permit it the end lines may be four feet instead of two feet behind the base of the backboard. The idea is to eliminate some of the out of bounds play.

Niles Center Wallops Leyden Eleven, 25-0

Niles Center played one of their best games of the season in their final game at Leyden last week, winning 25-0. A well balanced offense, with Eby the main cog in the machine, clicked to perfection as Niles drubbed a Leyden team that did not display any of the spirit shown against Lake Forest the previous week. Niles made 10 first downs to four for the losers.

Pirates Turn Tables On Bensenville

Bison Lights Beat Palatine In Overtime

Palatine's heavyweights defeated Bensenville Tuesday 19-15 while the Pirates lights were dropping an 18-17 overtime decision. Palatine's fast break and rushing zone defense worked to perfection in the second period when they scored 12 points to gain a half way margin of 15-12 over the visitors. This lead was extended to 19-2 starting the last period.

The visitors did not score a field goal until the last period and made only two out of 27 shots. Palatine hit nine out of 37 with Hahnfeldt scoring six points and Snyder and Steward four each. Bensenville was clearly off their game.

In the lightweight game the score was close all except one last quarter stretch which found Bensenville gaining a 17-12 advantage. Golden came through with the tying basket after Burns and Ehret had scored and turned the game into an overtime affair. A free throw by Kolze in the overtime decided the game in favor of the little Bisons 18-17. Linderman with five points was high for Bensenville while Golden scored seven, all in the second half, for Palatine.

Meet the Coaches

by G. A. MC ELROY

(This is the sixth in a series of articles by G. A. McElroy introducing the coaches of the Northwest Conference.)

A. J. Bergstrom of Libertyville. About three years ago when Jack Martin left Libertyville to coach at LaGrange the Wildcats grid and basketball were anything but bright for A. J. Bergstrom, his successor. Championship teams in football had been the rule rather than the exception at Libertyville, then the so-called "Big School 55" of the conference. Libertyville was due for some lean years and Mr. Bergstrom figured that Bergstrom was the man to build another gridiron winner out of the freshman crop of that year, so he gave him a contract. This fall Bergstrom delivered the goods with an undefeated team.

Bergstrom was an all around athlete at Jacksonville, Illinois, in high school and played two years each on the varsity teams in football, basketball, and baseball at Illinois College. He later received a masters degree in physical education at the University of Iowa.

Bergstrom's first position was at Casey, where he served for six years. Megel, who later coached successfully at Palatine, was head coach at Casey for a time with Bergstrom as his assistant. Before coming to Libertyville, Bergstrom coached an undefeated champion in the Eastern Illinois league and Wabash Valley conference in 1931.

The Libertyville coach is noted as a referee and expert on basketball rules. He annually conducts rules discussion meetings and in other ways serves in an official capacity for the state association. He is at present, president of the coaches association of this district of the state. Bergstrom is probably better known the state over, than any other coaches in the Northwest Conference.

Lutheran Cage League Starts Basketball Season

Des Plaines Upsets Arlington; Roselle Defeats Roselle

by CARL WEINRICH

The Northwest Suburban Lutheran Basketball League opened its 1938-39 season last Saturday evening. Arlington met Des Plaines in a hard fought game which Des Plaines finally won 31 to 24. Neither team showed much of the type of ball they are capable of playing.

Arlington obviously needed a game or two to get into stride and play basketball. There were a few times that they displayed some of the kind of ball that they hope will carry them on to the championship.

Des Plaines put up a fine defense and had the Arlington boys tied up most of the time. Red Weisberger led the local boys with eight points, followed closely by Laseke with six points. Kaitechuk led the visitors with a total of thirteen points.

Glennview easily disposed of River Grove in the second game of the evening. The combination of Art and Paul Meyer was too much for the River Grove team.

Palatine a Threat This Year

Palatine defeated Roselle, Sunday afternoon in a good ball game 34 to 29. Palatine, last year's runner up, displayed some fine ball handling which will make some of the other teams take notice. They are one of the threats again this year.

C. Haemker, a new member of the team this year, led his team with 12 points. Last year he was a member of the Palatine high school team and a dangerous man. He is a scoring threat and also is a good man on defense.

H. Dierking took scoring honors for Roselle with 15 points.

Itasca Pile Up Score

Itasca, last year's champs, started right out to show everyone that they are going to be the ones to beat again this year by defeating Park Ridge in a rather one-sided game 38 to 16.

Final ball handling, hard driving and a good defense enabled them to crush the hopes of Park Ridge. Hoppsteadt led his team with a total of 14 points, followed by E. Mensching, who had 10 points.

Arlington Beats Norwood

In the third game of the afternoon Arlington defeated Norwood 30 to 15. A team which showed much improvement over the night before, Arlington came back to win rather easily.

Norwood Park has a team this year that is not to be overlooked. They are a bunch of hard fighting boys who never give up and fight till the final whistle.

Red Weisberger again led Arlington in scoring with 18 points. There is one thing that the Arlington boys must improve on and that is their free throw. They might have won the opening game had it not been for all of the free throws they missed. In the two games their average is as follows: Attempted 25, made 4, pct. .16.

Saturday night will see Arlington playing Roselle and Palatine vs. Glennview.

Sunday afternoon Itasca meets River Grove, Roselle vs. Norwood Park and Park Ridge vs. Des Plaines.

Come out and see some good basketball games. Season passes are now available at a saving. They will be on sale at the door Saturday and Sunday. Get one and assure yourself of sixteen good clean basketball games.

See Masny In Action In Marquette, Michigan State Game, Saturday

Two groups of Arlington football fans journeyed to Milwaukee last Saturday to see the Marquette-Michigan State game. Charles O'Hagan and his sons, Charles and Robert, were visiting Burke, end, on Marquette's team. Coaches Grose and Hayes of the high school, Albie Brodman and John Duthorn were guests of the Michigan State coaching staff and were there principally to watch Myron Masny, old Arlington high product, perform for the state.

The Marquette-State game has developed into a traditionally hard fought fray and last Saturday's was no exception. State spotted Marquette two touchdowns, then spent the rest of the afternoon catching up.

Masny, erstwhile Arlington center, has been shifted to guard. He played almost half of the game Saturday and was in there in the last quarter when State made its closing drive to win out in the last minute of play.

Steve Szasz of Arlington, who has also been playing for the State eleven, had his football career nipped short by a shoulder injury two weeks ago, and is out for the rest of the season. Both boys have been two of Charlie Bachman's dependables all season. This is Szasz's senior year, but Masny is only a junior.

Basketball Officials Convened at Libertyville

About 50 coaches and basketball officials attended the rules interpretation meeting held at Libertyville Monday evening. A. J. Bergstrom was in charge of the discussion.

Coaches present were Brown and Drew of Waukegan, Hayes of Arlington, Johnson and Kirby of Bensenville, Wesner and Eide of Elmhurst, Watson and Bricker of Palatine, Reed of McHenry, Peterson and Isaacson of Niles Center, Bills of Proviso, Dale of Woodstock, Lindemeyer and Short of Lake Forest, Etherton of Northbrook, and Metcalf of Crystal Lake.

Bowling News At Northwest Alleys

Arlington Heights

by HERB HAMMER

New wood Monday night and you know what that means. Railroads were in evidence on all alleys, which means lower scores. On 1 and 2 the Elevators, still holding a mass short on account of the illness of Fred Kehe, took two games from Cafe, who showed up Monday in swell new bowling shirts. Al Kehe had high series of 574 on 1 and 2 and Geo. Thompson took the dollar.

On 3 and 4 Blatz took two games from Hartmann Shoes, and still maintain their four game lead in the league. John "D" was high with a nice 630 series, the only "600" of the night. Mart Engkeling got 223 which was good enough for the "buck."

On 5 and 6 Blatz, taking the boys from El Rand, taking them for two games. Dixie & Rex were fighting it out for low while Carl Huber was getting a high series of 595 and the dollar on 234. Better luck next week.
